Este control modifica el volumen de salida del pedal.

9V C+

Este pedal puede ser alimentado con una fuente de 9v.

The image shows the front cover of a user manual for the MAZAFX Big Fat Ugly Booster pedal. The cover features a large, stylized 'F' and 'S' logo at the top, followed by the product name 'BIG FAT UGLY BOOSTER' and 'TURBO BOOSTER'. Below this is the 'MAZAFX' logo. At the bottom, it says 'USER MANUAL'. To the right of the manual, there is a photograph of the actual pedal. The pedal has a black faceplate with a central circular control labeled 'out' and a smaller circular component below it. The text 'BIG FAT UGLY BOOSTER' is printed across the middle of the pedal's face. The 'MAZAFX' logo is at the bottom, and the words 'true bypass' are written below it. A 9V battery compartment is visible at the top. Two small arrows point from the text descriptions on the left towards the corresponding components on the pedal.
